BERKSHIRE ENCYCLOPEDIA OF CHINA

Modern and Historic Views of the World's Newest and Oldest Global Power

The *Berkshire Encyclopedia of China's* 800 accessibly written and lavishly illustrated articles range from 600 to 6,000 words. Article titles appear in English and in Chinese with pinyin transliterations and tone marks to help those studying the language, while primary text sidebars add historical perspective.

“Take a publisher with a decade of experience in China, add a group of well-known Chinese and Western scholars, pay special attention to details, add 1100 unique photographs, sprinkle in dozens of traditional Chinese proverbs, do it all on recycled, chlorine-free paper, and the end result is this sumptuous resource on all things China for the 21st century.”
