

BERKSHIRE Encyclopedia of World Sport, Third Edition

1,800 pages, 3 hardcover, library-bound volumes, US\$499
ISBN: 978-19933782-67-6. eISBN: 978-1-933782-62-1.

Third edition, 2013

Editors: David Levinson and Gertrud Pfister

The renowned *Berkshire Encyclopedia of World Sport* covers the culture, history, and business of sports around the world. The third edition of this groundbreaking work brings the study of sports into the 21st century by integrating Berkshire's past work on women's sports and extreme sports into a complete sporting library: a perfect addition for any library.

The new three-volume set includes over **300 updated and new articles** on:

- sports management and marketing
- every sport from buzkashi to motorcycle polo
- sports medicine
- the Olympics, past and future
- environmental and economic issues

The Times (London) called the first edition of the *Encyclopedia of World Sport* "the newest sporting bible." Berkshire sports titles have been praised by *GQ* magazine, *La Gazzetta dello Sport*, and the UK bookmakers William Hill, and received awards from *Choice*, *Library Journal*, and *Booklist*.

The third edition includes::

- short, easily digestible article abstracts and keywords
- tables of upcoming Olympics events
- sports-related quotes
- foreword by London Organising Committee Chairman and Olympic middle distance runner Sebastian Coe
- Click these links for lists of [articles](#), [contributors](#), and [upcoming Olympic events](#).
